

COVID 19 - CORONAVIRUS POLICY

A

primary objective of Minc is to ensure the safest work and health environment for our entire team, our customers, and the general public.

We will achieve this by:

- **Applying the latest government recommendations in regard to COVID 19**
- **Daily on-site toolbox meetings prior to commencement of work where personal protective measures are reiterated and team members have the opportunity to express their views**
- **Daily temperature check on site prior to commencement of work**
- **Providing soap, paper towels, hand sanitizers and staff rooms that allow sufficient space to practice social distancing**
- **Training of how to wash hands, use hand sanitizers, implement daily cleaning practices, and use PPE**
- **Daily cleaning of staff rooms**
